Thank you for being part of the Core Area Construction Dollars Program. This is our fourth year!

What is the Core Area Construction Dollars Pilot Program?
This program is part of the Core Area Action Plan (CAAP), which was developed using ideas from local businesses, residents, and organizations to create practical ways to support the Core Area.

The goal of this program is to encourage people to visit and support local businesses in the Core Area during construction.

Through this program, the City works with London Downtown Business Association and the Old East Village BIA to distribute over $90,000 to be used in local businesses in the form of Construction Dollars.

What are Core Area Construction Dollars?
Construction Dollars:
- can be redeemed for goods and services in all participating businesses;
- are in Canadian funds only;
- are printed in denominations of $5, $10, and $20;
- are only valid for use in the timeframe printed on the Construction Dollar; and,
- are identified by a serial number and holographic image (to prevent counterfeits).
- are reimbursed 100% to businesses

$1.00 Canadian = $1.00 Core Area Construction Dollar;

Please make sure you only accept valid Construction Dollars - check the date!
How are Core Area Construction Dollars distributed?
London Downtown Business Association and the Old East Village BIA distribute construction dollars through giveaways, contests, events, etc. Please visit www.oldeastvillage.com and www.downtownlondon.ca for more information.

Where can Core Area Construction Dollars be used?
At any participating businesses within the Core Area, which includes the Downtown London Business Association and Old East Village BIA. For a list of participating businesses, check www.london.ca/corearea, www.oldeastvillage.com and www.downtownlondon.ca.

How can customers use the Core Area Construction Dollars?
- They can be used in all participating business for goods & services, but they are not redeemable for cash.
- They are like cash - $1.00 Canadian = $1.00 Core Area Construction Dollar.

Remember that they are only valid in the timeframe printed on the Construction Dollar. Please only accept bills with the current year printed. Businesses are reimbursed 100%.
